WOMAN'S SUFFRAGE

ADVOCATED BY THE AMERICAN FEDERATION OF LABOR

Resolution Was Also Presented Deploring Life Insurance Methods and Proposing the German Plan.

Pittsburg, Pa., Nov. 17.—The American Federation of Labor convention today unanimously adopted a resolution endorsing woman's suffrage. The resolution was introduced by first vice president James Duncan, of the federation and was as follows:

"Resolves, that the best interests of labor require the admission of women to full citizenship as a matter of justice to them and as a necessary step toward insuring and raising the scale of wages for all."

Delegate Victor L. Berger, of Milwaukee, Wis., the leader of the Socialist element in the federation, introduced a resolution hitting at the present life insurance system as made public by the recent exposures in New York. He proposes to have the general principle of state insurance, as operated under the German government, to be made effective in this country. The resolution was referred to a committee.

William J. Bryan, editor of the Commoner, sent an invitation to the delegates to hold their next convention at Lincoln, Neb. The invitation was seconded by Mayor F. W. Brann, and the Commercial club of Lincoln, Denver, Colo., is making a strong effort to secure the next convention.

An affidavit for peace proceedings was filed in Justice Spittler's court Friday morning by Joseph Johnson against William Hogan. Johnson claimed that Hogan made threats to do him bodily harm. Hogan is under a \$200 bond to keep the peace.

Man's Unreasonableness is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by the Durbin & Wright Co., druggists, price 50c.
